The Catherine Spear, the latest addition to the Asper Line, which is to replace the Japan on the China run, arrived in port yesterday morning from Calcutta. We have already published a description of this fine vessel, and all that need now be said is that she appears to have given every satisfaction during the run from Glasgow to Calcutta, as well as from Calcutta to Hongkong.

EARLY yesterday morning fire broke out in a carpenter's and box-maker's shop on the ground floor of a house at 18 Queen's Road West. The fire brigade turned out very smartly under Mr. H. E. Wodehouse, and the fire was extinguished before much damage was done. In the ground and first floors the furniture and stock were damaged, but the second and third floors escaped.

The fire supposed to have been caused by the explosion or overturning of a kerosene lamp. The house and fittings were insured for \$3000 in the office of the Commercial Union Co., of which Messrs. Staefelth and Hirni are the local agents.

A detachment of police turned out under the command of the Acting Deputy Captain Superintendent of Police, Mr. Buckley.

In the conduct of their numerous cases in the Supreme Court the Chinese usually display no small amount of shrewdness and cunning which their want of sense of proportion sometimes causes them to use to the detriment of their own interests. But underlying all their scheming there is a certain amount of guilelessness which does occasionally force itself to the surface, and of this there was a good example in the Summary Court to-day where the Acting Puisne Judge was engaged hearing a Chinese case. In support of his contentions a witness produced what purported to be an account book. Mr. Rees, who appeared on the other side, was not quite satisfied with this book. "Will you swear that the book was not made a few days ago for the purpose of this case?" he asked. To which, the witness replied, "It is a true book. In case your Lordship would want some proof, this book was made up eight or ten days ago." This was a very frank admission, and no doubt it helped his Lordship in arriving at a just and equitable finding.

The N. C. Daily News says:—The marriage of H. E. Mr. von Brandt has been postponed, we understand, to Monday next. The marriage of Mr. W. N. Sir John Walham is expected to leave Peking for home shortly afterword, and Mr. Beaumont will be charged with his arrival.

A Gazette Extraordinary published to-day contains the intimation that Lady Robinson's receptions announced for 26th August and 8th September are unavoidably postponed.

EXPENSIVE PREPARATIONS are being made at Manila for co-operation in the celebration of the fourth anniversary of the discovery of America by Christopher Columbus.

There will be three-day's celebration—11th, 12th and 13th October, 1892.

Mr. H. E. Pollock, Acting Puisne Judge, heard a Chinese case to-day in the hearing hall of the Masonic Buildings, Zetland Street, where the Summary Court has found temporary location during the repairs on the Supreme Court buildings.

SAMUEL HARRIS, ex-policeman, and Joseph Xavier, who were charged with disorderly conduct in a shop in Frays Central on 5th inst., were liberated by Mr. Wodehouse to-day, after additional evidence had been heard. Mr. Weston appeared on behalf of the second defendant.

ABOUT seven o'clock on Saturday evening the back wall of a house in Tunk Lane fell, burying a man and woman in the debris.

A constable on duty near the scene of the accident obtained assistance and rescued the unfortunate people. The woman escaped practically unharmed, but the man had his right leg broken at the ankle and had to be taken to the Hospital.

Messrs. Dowell, Cardill & Co. inform us that the a. a. Ghaze left Singapore for this port on the 21st instant, and may be expected here on or about the 27th instant.

The O. S. S. steamer Palmarus left Singapore Saturday afternoon, and may be expected here on or about the 26th instant.

We learn from the N. C. Daily News that Mr. H. P. Wilkinson, the Counsel for the plaintiffs, has applied for a rehearing of the collision case between the "Thibet" and a junk, mainly on the ground of the Court's refusal to admit the map of the scene of the collision made by the local magistrate.

Mr. J. S. Laprade seconded the adoption of the report and accounts as moved by the Chairman. This was agreed to unanimously.

There was no other business.
